The wireframe is contained within a large rectangular box. At the top center is a rectangular box labeled "Logo". Below the logo, on the left side, are two labels: "Email:" and "Password:". Each label is followed by a horizontal rectangular input field. To the right of these fields, centered vertically, are two rounded rectangular buttons. The top button is labeled "Log In" and the bottom button is labeled "Sign Up". Both buttons have a blue color and a thin black border.
